

# Tokyo Institute of Technology TKT CAMPUS Asia Consortium Winter Program November 2018 – February 2019

Under the CAMPUS Asia Initiative of the governments of Japan, China and South Korea, Tokyo Tech is an active participant in and contributor to the TKT CAMPUS Asia Consortium, a joint education and research program with Tsinghua University and KAIST. In 2018, as part of the Consortium's activities, Tokyo Tech will host a Winter Program to provide students with the opportunity to participate in a longer-term lab-based research project.

Detailed information about the programs can be found on the TKT CAMPUS Asia website.

**Introduction:** <http://www.ipotech.ac.jp/campusasia/index.html>

## Program Overviews

### **Winter Program (November 29, 2018 – February 8, 2019)**

Students will undertake an independent research project in a laboratory under the supervision of a Tokyo Tech faculty member. Tokyo Tech will issue a certificate to students who successfully complete the program.

\*Note: Participants are recommended to stay for the full period.

## Number of participants

In principle, three (3) students from each university will be admitted.

## Program Expenses

### **Tuition, fees and stipend**

University tuition and related fees for this program will be waived. Highly qualified students will receive a stipend of 80,000 JPY/month through a scholarship from the Ministry of Education, Culture, Sports, Science and Technology (MEXT).

### **Accommodation**

Tokyo Tech will provide participants with off-campus accommodation at no charge.

## Program Eligibility Requirements

### **Home university**

Students must be enrolled at Tsinghua University or Korea Advanced Institute of Science and Technology (KAIST) and nominated for the program by their home university

### **Year of study**

Undergraduate 4th year students and graduate students *at the time of participation*.

### **Majors**

Engineering or Science fields

## Application Details

### **Application Deadlines**

**September 7, 2018**

### **Application Procedures**

Complete an online application at <https://form.gsic.titech.ac.jp/ryu/>

\*Note: Before starting the online application, please read carefully the application procedures at [http://www.ipo.titech.ac.jp/campusasia/intl\\_students/application.html](http://www.ipo.titech.ac.jp/campusasia/intl_students/application.html)

## Program Coordinators:

To apply for this program, first contact the coordinator at your home university.

### **Tsinghua University** Ms. Dongni LIU

Program Manager, Study Abroad, Office of International Cooperation and Exchange

Email: dongni@tsinghua.edu.cn / Tel: (86)-10-62794601

### **Korea Advanced Institute of Science and Technology (KAIST)** Ms. Sejin Mikhaila NAM

Coordinator, International Relations Team (W2-1, Room 102)

Email: namsejin@kaist.ac.kr , campusasia@kaist.ac.kr / Tel: (82) 42-350-2436

## Changes or Withdrawal of Participation:

Only changes to or withdrawal from the program due to unanticipated circumstances will be considered. In such cases, the student must immediately notify the coordinator at his/her home university. Any cost incurred from change or withdrawal will be covered by the student and his/her home university.

## Others:

If those who have already participated in KAIST's TKT CAMPUS Asia Program(s) in the past wish to apply again, please notify your home university's coordinator of your intent first, before proceeding to apply.
