RAKUGO is a traditional type of comic storytelling, in which the artist expresses a wide range of emotions with minimal props and movements.

## Shinoharu Tatekawa's Profile

Shinoharu is the third disciple of Shinosuke Tatekawa, one of the most famous *Rakugo* artists in Japan.

After graduating from Yale University, Shinoharu worked at Mitsui & Co., where he saw *Rakugo* performed for the first time when he was 25 years old. That decisive performance prompted him to leave Mitsui & Co. and learn the art of *Rakugo* himself in October 2002.
